DIRECTIONS FOR ORDERING.

No single item for less than 10g. All orders amounting to \$2.00 or over will be sent prepaid to any point in U.S. On orders of less than \$2.00 please add 15g extra for postage and packing. Each order must be accompanied by remittance in full, or a 25% deposit, the balance C.O.D.

All orders received subject to prior sale. We recommend that you order early to avoid disappointment in case we run out of a variety.

We add extras to each order, the amount and varieties vary with the size of the order. It will help us if you will suggest varieties you would like to try.

BULBLATS are recommended to experienced growers who want to get an inexpensive start of a variety, often they are difficult to germinate so we do not guarantee them to grow. Fackages of bulblets will run 35 to 50 and upward.

No bulblets orders accepted after APRIL 1st. 1948 50g LONG SEASON SPECIAL 50g

To have blooms a certain variety over a long period, these collection will answer that call. These collection are made up of large, medium and small bulbs.

I can't say the exact number you will get as the varieties vary somewhat in prices and I have a much larger stock of some varieties than I have of others. But feel assured that you will get a big value for your money. Leave that part to me.

Remember each 50 cents special is only one variety and not an assortment of several varieties or all of them. Each special consist of various sizes of just one variety. Select as many as you wish at 50 cents each. Any five lots for \$.35, any ten lots for \$4.50 or any fifteen for \$6.75 If you should buy several addition varieties, I will put in something good for you to try.
